

Infinite earth

Infinite Earth Newsletter
November 2011

Current Projects

§ Infinite#2 is now ready and prepared, We send the PR to many galleries and collectors. The sales are going very well.

§ Alona and mika working on exhibition in Petach Tikva Museum, Israel. The opening will be at 9th February 2012.

Future projects

§ Infinite earth will work together with “Bait Ham” in Petach Tikva Israel.

It's a day-care for 20 girls between 13-15 years old. The program will be one year for activities with a meaning, include: educational, aspects in it through the art, like gaining confidence through creativity .

§ Infinite earth supporting a new project called “Art House” in India. The project will focus on Indian widows as it is a part of society which faces many difficulties in leading an independent life style, the second plan regarding this project is at providing local deprived children with art classes, English classes and general education classes .By doing so the children will get in touch with their creative and intellectual abilities.

§ Infinite earth is supporting a project in Namibia - Africa. The plan is to use infinite #2 sales and to help build a medicare center.

website

§ Christoph and another graphic designer add to Infinite Earth's website a Hebrew function. Now the website can be in German, English and Hebrew.

Notes

§ The Annual Meeting of Infinite Earth will be held on Wednesday, 14th December at 18 Uhr. The official invitation send already.
